Good Morning:

This is just a reminder that we have a technical group call scheduled for Thursday (April 27) morning at 8 AM. We need to discuss proposed monitoring well locations/depths so that the work scope can be finalized and funding approved.

If you are unable to take part in the call, please let the group know by 3 PM on Wednesday, and propose an alternative date/time to discuss this issue. Thanks.

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
